

Fill in the gaps

•••
Well the sky broke in two
Found you dancing alone
Then the room filled up with you
And that song we (1) know
That's (2) you caught me with (3) eyes
And sent shivers (4) my spine
And then you (5) in my ear
You said "I can feel it too"
And then you (6) me (7) you
Tonight
I got you where I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight
Tonight
Through all of (8) and history
Well nothing's ever (9) with me
But now I'm locked on to you
And I'm holding on to
The only thing I know

And now I'm (10) letting go
Tonight
I got you where I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight, tonight
The whole world could fall away
But you and I
No we won't be afraid
Tonight
I got you where I want you
Closer I can tell you anything
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight
I got you where I want you
Tonight
