

## Fill in the gaps

Ten (1) (2) town and I (3)	After the life we've been through
broke down	'Cause I know there's no life (16) you
Spittin' out smoke on the side of the road	You and I, right or wrong, there's no other one
I'm out (4) alone just tryin' to get home	After this time I spent alone
To (5) you I was wrong but you already know	It's hard to believe that a man with sight (17) be
Believe me I won't stop at nothin'	so blind
To see you so I've started runnin'	Thinkin' 'bout the better times, must've been (18)
All that I'm (6) is a life full of laughter	my mind
As long as I'm laughing with you	So I'm runnin' back to tell you
I'm thinkin' that all that still matters is (7) ever after	All that I'm after is a life (19) of laughter
After the life we've been through	Without you God knows what I'd do
'Cause I (8) there's no life after you	All that I'm after is a life full of laughter
Last time we talked, the night that I walked	As long as I'm laughing with you
Burns like an iron in the (9) of my mind	I'm thinkin' that all that (20) matters is love ever
I must've been (10) to say you and I	after
Weren't meant to be and just wasting my time	After the (21) we've been through (yeah!)
Oh, why did I ever doubt you?	I know there's no life after you
You know I (11) die here without you	I know there's no (22) after you
All (12) I'm after is a life full of laughter	I know there's no life after you
As (13) as I'm laughing with you	I know there's no life (23) you
I'm thinkin' (14) all that still (15)	I (24) there's no life (25) you (yeah)
is love ever after
