Watch it burn

Fill in the gaps

The Great Escape by Boys Like Girls

Paper bags and plastic hearts	Let it die
All are belongings in shopping carts	'Cause we are finally free tonight
It's goodbye	All of the (4) time
But we got one more night	The (5) that were left behind
Let's get drunk and drive around	The answers that we'll never find
And make (1) with an empty town	They don't mean a thing tonight
We can make it right	Throw it away
Throw it away	Forget yesterday
Forget yesterday	We'll make the (6) escape
We'll make the great escape	We won't hear a word they say
We won't hear a word they say	They don't (7) us anyway
They don't know us anyway	Throw it away
Watch it burn	Forget yesterday
Let it die	We'll (8) the (9) escape
'Cause we are finally free tonight	We won't hear a (10) they say
Tonight will change our lives	They don't know us anyway
It's so good to be by your side	Throw it away
But we'll cry, (no)	Forget yesterday
We won't give up the fight	We'll make the great escape
We'll scream loud at the top of our lungs	We won't hear a word they say
And they'll (2) it's just cause we're young	They don't know us anyway
And we'll feel so alive	Watch it burn
Throw it away	Let it die
Forget yesterday	'Cause we are finally free tonight
We'll (3) the great escape	
We won't hear a word they say	
They don't know us anyway
