

All the girls don't matter

## Fill in the gaps

Jet setter	In your presence can't do what you do
Go getter	There's a (4) girls around but I don't see no
Nothing better	one but you
Call me Mr. been there done that	Baby you're so one in a million
Top model chick to (1) every day hood rat	You are
Less than all but more than a few	Baby you're the best I ever had
But I've never met one like you	Best I ever had
Been all over the world	And I'm certain that
Done a little bit of everything	There ain't nothing better
Little bit of everywhere	No there ain't nothing better than this
Nith a little bit of everyone	Girl you're so one in a million
But all the girls I've been with	You are
Things I've seen it takes much to impress	Baby you're the best I ever had
But sure enough you go it makes your soul stand up	Best I ever had
From all the rest, baby	And I'm certain that
can be in love	There ain't nothing better
But I just don't know	No there ain't nothing better than this
Baby one thing is for certain	Timing girl
Whatever you do it's working	Only one in the world
All the girls don't matter	Just one of a kind
n your presence can't do what you do	She mine
There's a million girls around but I don't see no one but you	(Oh) All that I can (5) about is what
Girl you're so one in a million	(6) (7) (8) be
You are	A future baby
Baby you're the best I ever had	Baby you're one of a kind
Best I ever had	That means that you're the only one for me
And I'm certain that	Only one for me
There ain't (2) better	Baby (girl) you're so one in a million
No there ain't nothing better than this	You are
You're not a regular girl	Baby you're the best I ever had
You don't give a damn about your look	Best I (9) had
Talking about I can't do it for you	And I'm certain that
But you can do it for yourself	There ain't nothing better
Even though that ain't so	No there ain't nothing better than this
Baby cause my dough don't know how to end	Girl you're so one in a million
But that independent thing I'm with it	You are
All we do is win, baby	Baby you're the best I ever had
could be in love	Best I ever had
But I just don't know	And I'm certain that
Baby one (3) is for certain	There ain't nothing better
Whatever you do it's working	No there ain't (10) better than this
