

Fill in the gaps

Jet setter	In your presence (15) do (16)
Go getter	you do
Nothing better	There's a million (17) around but I don't see no
Call me Mr. been there done that	one but you
Top model chick to your every day hood rat	Baby you're so one in a million
Less than all but more than a few	You are
But I've never met one like you	Baby you're the best I ever had
Been all (1) the world	Best I ever had
Done a little bit of everything	And I'm certain that
Little bit of everywhere	There ain't nothing better
With a (2) bit of everyone	No there ain't nothing better than this
But all the girls I've been with	Girl you're so one in a million
Things I've seen it takes much to impress	You are
But sure enough you go it makes (3) (4)	Baby you're the best I ever had
stand up	Best I ever had
From all the rest, baby	And I'm certain that
I can be in love	There ain't (18) better
But I just (5) know	No there ain't (19) (20)
Baby one (6) is for certain	(21) this
Whatever you do it's working	Timing girl
All the girls don't matter	Only one in the world
In your presence (7) do what you do	Just one of a kind
There's a million (8) around but I don't see no	She mine
one but you	(Oh) All that I can think about is (22) this
Girl you're so one in a million	(23) could be
You are	A future baby
Baby you're the best I (9) had	Baby you're one of a kind
Best I ever had	That means that you're the only one for me
And I'm certain that	Only one for me
There (10) (11) better	Baby (girl) you're so one in a million
No there ain't nothing better (12) this	You are
You're not a regular girl	Baby you're the best I ever had
You don't give a damn about your look	Best I ever had
Talking about I can't do it for you	And I'm certain that
But you can do it for yourself	There ain't nothing better
Even (13) that ain't so	No there ain't nothing better than this
Baby cause my dough don't (14) how to end	Girl you're so one in a million
But that independent thing I'm with it	You are
All we do is win, baby	Baby (24) the best I ever had
I could be in love	Best I ever had
But I just don't know	And I'm certain that
Baby one thing is for certain	There (25) nothing better
Whatever you do it's working	No there ain't nothing better than this
All the girls don't matter
