

## Fill in the gaps

In my dream, children sing	Tell me why (Tell me why)
A song of love for (1) boy and girl	Tell me why (Tell me why)
The sky is blue, the fields are green	Just tell me why (why, why, why)
And laughter is the language of the world	Tell me why, (why) does it (6) to be like this
Then I wake and all I see is a world full of people in need	Tell me why, (why) is there something I have missed
Tell me why, (why) does it have to be like this	Tell me why, (why) cause I don't understand
Tell me why, (why) is there something I have missed	When so many need somebody
Tell me why, (why) (2) I don't understand	We don't give a helping hand
When so many need somebody	Tell me why (Why why, (7) the tigers run?)
We don't (3) a helping hand	Tell me why (Why why, do we shoot the gun?)
Tell me why	Tell me why (Why why, do we never learn?)
Every day, I ask myself	Can someone tell us why we let the forests burn?
What will I have to do to be a man	(Why why do we say we care?)
Do I have, to stand and fight	Tell me why (Why why do we stand and stare?)
To prove to everybody who I am?	Tell me why (Why why do the dolphins cry?)
Is that (4) my life is for?	Can someone (8) us why we let the ocean die?
To waste in a world full of war	(Why why if we're all the same?)
Tell me why, (why) does it have to be like this	Tell me why (Why why do we pass the blame?)
Tell me why, (why) is there something I have missed	Tell me why (Why why does it never end?)
Tell me why,(why) cause I don't understand	Can someone (9) us why we cannot just b
When so many need somebody	friends?
We don't (5) a helping hand	Why why?
Tell me why (Tell me why)
