

Fill in the gaps

(Ah ah ah)	To (14) your tune
You must think I'm a fool	Don't look back
So prosaic and awkward and all	If I'm a (15) (16) your neck
D'you think you've got me down?	Cos if you don't need me
D'you (1) I've (2) been out of this	I don't need you
town?	
Do I seem too eager to (3) to you now?	I don't need you
You don't (4) me at all	
I can't turn it on, turn it off like you now	Leaving so soon, soon
I'm not like you now	Leaving, leaving so, soon
Now you're here	
I bet you're (5) you could disappear	You're (17) so soon
I'm (6) to be kind	Never had a chance to bloom
I get the feeling you're (7) (8)	But you were so quick
time	To change (18) tune
You (9) down on me	Don't look back
Don't you (10) down on me now	If I'm a weight around your neck
You don't know me at all	Cos if you don't (19) me
A slap in the face	I don't (20) you
In the (11) for you now	
Just (12) do now	
You're leaving so soon	
Never had a chance to bloom	
But you (13) so quick
