

Fill in the gaps

I'm waiting for my moment to come		Now we're (18) (nwot
I'm (1)	for the movie to begin	We're spiralling	
I'm (2)	for a revelation	Tied up to the ground	
I'm (3)	for someone to (4) me	We're spiralling	
in		Did you wanna be a winner?	
Because now I only see my dreams in everything I touch		Did you (19) be an icon?	?
Feel their cold (5) on everything that I love		Did you wanna be famous?	
Cold like some magnificent skyline		Did you wanna be the president?	
Out of my reach but always in my eye line		Did you wanna (20) a wa	ar?
Now we're (6)	down	Did you wanna (21) a fami	ly?
We're spiralling		Did you (22) be in love?	
Tied up to the ground		Did you wanna be in love?	
We're spiralling		When we fall in love	
I fashioned you from (7) and stone		We're just falling	
I (8) you in the image of myself		In (23) (24) our	selves
I (9) you everything you wanted		We're spiralling	
So you would (10)) (11) anything else	We're (25) down	1
But every time I reach for you		We're spiralling	
You slip (12) my fingers		Tied up to the ground	
Into (13) sunlight		We're spiralling	
Laughing at the thi	ngs (14) I had planned		
The map of my (1	5) (16) smaller as I		
sit here
