

## Fill in the gaps

I hope this old train breaks down	(Oh) please just let me please breakdown
Then I could take a walk around	I need this old train to breakdown
See what there is to see	(Oh) please just let me please breakdown
Time is just a melody	I want to break on down
With all the people in the street walking (1) as their	But I can't stop now
feet	Let me break on down
Can take them, I just roll through town	But you can't stop (6) if you got no control
And though my window's got a view	Of the thoughts in your (7) that you kept and you
Well the frame I'm looking through	know
Seems to have no concern for now	That you don't know nothing but you don't need to know
So for now I	The wisdom's in the (8) not the glass windows
I need this old train to breakdown	You can't stop wishing if you don't let go
(Oh) please just let me please breakdown	Of the things (9) you find and you lose and you
Well this engine screams out loud	know
Centipede going to crawl westbound	You keep on rolling, put the moment on hold
So I don't (2) make a sound	(Because) the frame's too bright, so put the blinds down low
Cause it's going to sting me (3) I leave this town	I need this old train to breakdown
And all the people in the street that I'll never get to meet	(Oh) please just let me please breakdown
If these tracks don't bend somehow	I need this old train to breakdown
And I got no time	(Oh) please just let me please breakdown
That I got to get to where I don't (4) to be	I want to break on down
So I	But I can't stop now
I (5) this old train to breakdown
