

## Fill in the gaps

i don't know, what went wrong		
If I did, would it matter cause		
It just wasn't enough		
You know when the moment comes		
To be strong, to resistance		
And that is what		
We're (1)	to believe	
When the big road	(2) a	part
And you think that the feeling will linger		
You need somewhere to start		
I (3) be here, I will be here		
You don't mind if life's not that pretty		
It will soon disappear and will be miles away		
Away from here		
When the big road fa	alls apart	
And you think that the	ne (4)	will linger
You need somewhere to start		
I will be here		
And when it all seems to fall apart		
You can't breathe		
You don't know what you're thinking		
You (5) s	somewhere to star	t

I will be here			
I will be here			
I will be here			
I will be here			
I (6) be here, I will be here			
(Oh oh oh oh)			
When the big road falls apart			
And you think that the feeling will linger			
You need somewhere to start			
I (7) be here			
And when it all seems to fall apart			
You can't breathe			
You don't know (8) you're thinking			
You need somewhere to start			
I will be here, I will be here			
When the big road falls apart			
And you think (9) the feeling will linger			
You need somewhere to start			
I will be here, I (10) be here
