Fill in the gaps

Head Over Feet by Alanis Morissette

	You are the bearer of unconditional things
I had no choice but to (1) you	You held your breath and the door for me
You stated your case time and again	Thanks for your patience
I thought about it	You're the best listener that I've ever met
You treat me like I'm a princess	You're my best friend
I'm not used to liking that	Best friend (5) benefits
You ask how my day was	What took me so long
You've already won me over in spite of me	I've never felt (6) (7) before
And don't be alarmed if I fall head over feet	I've (8) wanted something rational
Don't be surprised if I love you for all (2) you are	And I am aware now
I couldn't help it	I am aware now
It's all your fault	You've already won me over in (9) of me
Your love is thick and it swallowed me whole	And don't be (10) if I fall head over feet
You're so much braver than I gave you credit for	Don't be surprised if I love you for all that you are
That's not lip service	I couldn't help it
You've already won me over in (3) of me	It's all your fault
And don't be alarmed if I fall head over feet	
Don't be surprised if I (4) you for all that you are	
I couldn't help it	
It's all your fault
