If I Had Eyes (Accoustic) by Jack Johnson

f I had eyes in the (1) of my head	We were victims (12) but lonely
would have told you that you looked good	You got hungry eyes that (13) can't look forward
As I walked away	Can't (14) them enough but we (15)
f you could've tried to trust the hand that fed	can't start over
ou would've never (2) hungry	Building with bent (16) we're falling but holding
But you (3) really be	I don't wanna take up (17) of
The more of (4) or less of (5) or is there	(18) time
any difference	Time, time, time
Or are we (6) holding	Sometimes (19) doesn't heal
Onto the things we don't have anymore	No not all
Sometimes (7) doesn't heal	Just (20) still
No not at all	While we fall
lust stand still	In or out of (21) again I (22) I'm
Vhile we fall	(23) win you back
n or out of love again I doubt I'm gonna win you back	When you got eyes like that
When you got (8) like that	It won't let me in
t won't let me in	Always looking out
Always looking out	Always looking out
ot of people (9) (10) time	Always looking out
11) floating
