If I Had Eyes (Accoustic) by Jack Johnson

If I had eyes in the back of my head	We were victims together but lonely
I would have told you that you looked good	You got hungry eyes that just can't look forward
As I walked away	Can't give (4) enough but we just can't start over
If you could've tried to trust the hand that fed	Building with bent (5) we're
You would've never been hungry	(6) but holding
But you (1) really be	I don't wanna take up (7) of (8)
The more of this or less of this or is there any difference	time
Or are we just holding	Time, time, time
Onto the things we don't have anymore	Sometimes time doesn't heal
Sometimes time doesn't heal	No not all
No not at all	Just stand still
Just stand still	While we fall
While we fall	In or out of love again I (9) I'm gonna win you
In or out of love again I doubt I'm gonna win you back	back
When you got eyes (2) that	When you got eyes like that
It won't let me in	It won't let me in
Always looking out	Always looking out
Lot of people spend their (3) just floating	Always looking out
	Always looking out
