No One Else Comes Close by Backstreet Boys

When we (1) out the lights	And I always will, cuz in my eyes (oh baby)
The two of us alone together	No one else (16) close to you
Something's just not right	No one makes me (17) the way you do
But girl you know that I (2) never	You're so (18) to me
Ever let another's touch, come between the two of us	And you'll (20) be eternally
Cuz no one else will ever take (3) place	Every time I hold you near
No one (4) comes close to you	You (21) say the words I love to hear
No one makes me feel the way you do	Girl with just a touch you can do so much
You're so special girl to me	No one else comes (22) to you
And you'll always be eternally	No one makes me feel the way you do
Every time I hold you near	You're so special girl to me
You always say the words I love to hear	And you'll always be (23) (baby)
Girl with (5) a (6) you can do so	Every time I hold you near

No one (7) comes close	Girl with just a touch you can do so much
No one (8) close	No one (24) (25) close
No one else (10) close	No one else comes close
And (11) I (12) up to	No
