## Scar Tissue by Red Hot Chili Peppers

Scar tissue that I wish you saw	With the (4) I'll (5) this lonely view
Sarcastic mister know it all	Soft spoken with a (6) jaw
Close your eyes and I'll kiss you, 'cause	Step outside but not to brawl
With the birds I'll share	And Autumn's sweet we call it fall
With the birds I'll share this lonely view	I'll make it to the moon if I have to crawl and
With the birds I'll share this lonely view	With the birds I'll share this lonely view
Push me up (1) the wall	With the (7) I'll share this lonely view
Young Kentucky girl in a push-up bra	With the birds I'll share this lonely view
Falling all, over myself	Scar tissue that I wish you saw
To lick your heart and taste your health, 'cause	Sarcastic mister know it all
With the birds I'll share this (2) view	Close (8) eyes and I'll kiss you, 'cause
With the birds I'll share this lonely view	With the birds I'll share
With the (3) I'll share this lonely view	With the (9) I'll share this lonely view
Blood loss in a bathroom stall	With the birds I'll share this lonely view
Southern girl with a scarlet drawl	With the (10) I'll share this lonely view
Wave good-bye to ma and pa, 'cause	
With the birds I'll share
