Such a feelin's comin' over me There is wonder in most everything I see Not a cloud in the sky Got the sun in my eyes And I won't be surprised if it's a dream Everything I want the world to be Is now coming true (1)_ And the reason is clear It's because you are here You're the nearest thing to heaven that I've seen I'm on the top of the (2)_____ lookin' down on creation And the only explanation I can find Is the (3)_____ that I've found ever since you've been around Your love's put me at the top of the world Something in the wind has learned my name And it's tellin' me that things are not the same

In the leaves on the trees and the touch of the breeze
There's a pleasin' (4) of happiness for me
There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me
All I need (5) be (6) if you are here
I'm on the top of the (7) lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world
I'm on the top of the world lookin' down on creation
And the (8) explanation I can find
Is the love that I've found ever (9) you've beer
around
Your love's put me at the top of the world
