## Hold My Hand by Michael Jackson & Akon

	Things will get (5) if you just (6)
This life don't last forever (hold my hand)	my hand
So tell me what we're waitin' for (hold my hand)	Nothing can come in between us if you just
We better off being together (hold my hand)	Hold, (7) my, hold my, hold my hand
Than being miserable alone (hold my hand)	I can tell that you're tired of being lonely
Cause I've been there before	Take my hand, don't let go, baby hold me
And you've been there before	Come to me and let me be your one and only
But together we can be alright (yeah)	Cause I can make it alright 'till the morning
Cause when it gets dark and (1) it gets cold	I can't tell that you're tired of being lonely
We can just hold each other till we see the sunlight	Take my hand, don't let go, baby (8) me
So if you just hold my hand	Come to me and let me be your one and only
Baby I promise that I'll do all I can	Cause I can make it alright 'till the morning
Things will get better if you just hold my hand	Hold my hand
Nothing can come in between us if you just	Baby I promise that I'll do all I can
Hold, hold my, hold my hand	Things will go better if you just
The (2) are getting darker (hold my hand)	Hold my hand
And there's no (3) inside (hold my hand)	Nothing can come between us if you just
So why make our lives harder (hold my hand, yeah)	Hold, hold my, hold my hand
By fighting love, tonight (baby)	Hold my hand (yeah, yeah)
Cause I've been there before	Hold my hand (yeah, yeah)
And you've been there before	Hold my hand
But together we can be alright	Nothing can come between us if you just
Cause when it gets dark and when it gets cold	Hold, hold my, (9) my, hold my hand
We can just hold each other till we see the sunlight	Hold my hand
So if you just (4) my hand	
Baby I promise that I'll do all I can
