

Because of you

Fill in the gaps

Because Of You (Live) by Kelly Clarkson

I will not make the same mistakes (1) you did	I learned to (14) on the safe side
I will not let (2) cause my heart so much	So I don't get hurt
misery	Because of you
I (3) not break the way you did	I find it (15) to trust
You fell so hard	Not only me, but everyone around me
I've learned the hard way	Because of you, I am afraid
To (4) let it get (5) far	I watched you die, I (16) you cry
Because of you	Every night in your sleep
I never stray too far (6) the sidewalk	I was so young
Because of you	You should have (17) better (18) to
I learned to (7) on the safe side	lean on me
So I don't get hurt	You never thought of (19) else
Because of you	You just saw (20) pain
I find it (8) to trust	And now I cry in the (21) of the night
Not only me, but everyone (9) me	For the same (22) thing
Because of you, I am afraid	Because of you
I lose my way	I never stray too far from the sidewalk
And it's not too long before you (10) it out	Because of you
I cannot cry	I learned to play on the (23) side
Because I know that's weakness in (11) eyes	So I don't get hurt
I'm forced to (12) a smile, a laugh	Because of you
Every day of my life	I find it hard to trust, not only me
My (13) can't possibly break	But (24) around me
When it wasn't even whole to start with	Because of you
Because of you	I am afraid
I never stray too far from the sidewalk
