One Headlight by Wallflowers

So (1)_____ ago, I don't remember when
That's when they say I lost my only friend
Well (2)_____ said she died easy of a broken heart
disease
As I listened through the cemetery trees
I seen the sun comin' up at the funeral at dawn
The long broken arm of human law
Now it always seemed such a waste
She always had a pretty face
So I wondered how she hung around this place
(Hey) Come on try a little
Nothing is forever
There's got to be something better than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
She said it's cold
It feels like Independence Day
And I can't break away from this parade
But there's got to be an opening
Somewhere here in (3)_____ of me
Through this maze of ugliness and greed
And I (4)_____ the sun up ahead
At the county line bridge
Sayin' all there's good and (5)_____ is
dead
We'll run until she's out of breath
She ran (6)_____ there's nothin' left
She hit the end, it's just her window ledge

(Hey) Come on try a little
Nothing is forever
There's got to be something better than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
Well this place is old
It feels just like a beat up truck
I turn the engine, but the engine doesn't turn
Well it smells of cheap (7)_____ and cigarettes
This place is always such a mess
Sometimes I think I'd like to watch it burn
I'm so alone, and I feel just like (8)_____ else
Man, I ain't changed, but I know I ain't the same
But somewhere here in between the city walls of dyin'
Dreams (9)_____ her (10)_____ it must be
killin' me
(Hey, hey, hey...) Come on try a little
Nothing is forever
There's got to be something better than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
