

Fill in the gaps

JUD
Without Me by Eminem
Two trailer park girls go round the outside
Round the outside
Round the outside
Two trailer park girls go round the outside
Round the outside
Round the outside
Guess who's back
Back again
Shady's back
Tell a friend
Guess who's back
I've created a monster
Cuz nobody wants to see Marshall no more
They want Shady, I'm chopped liver
Well if you want Shady, this is what I'll give ya
A little bit of me mixed with some hard liquor
Some vodka that'll jump start my heart quicker
Then a shock when I get shocked
At the (1) by the doctor
When I'm not co-operating

When I'm rocking the table while he's operating

That I got everyone kissin my ass

Fill in the gaps

	FIII III
You waited this long, now stop debating	
Cause I'm back, I'm on the rag and ovu-lating	
I know that you got a job Ms. Cheney	
But your husband's heart problem's complicating	
So the FCC won't let me be	
Or let me be me, so let me see	
They try to shut me down on MTV	
But it feels so empty, without me	
So, come on and dip, bum on your lips	
Jump back, jiggle your hip and wiggle a bit	
And get ready, cause this is about to get heavy	
I just settled all my lawsuits, **** you Debbie!	
Now this looks like a job for me	
So everybody, just follow me	
Cause we need a little, controversy	
Cause it feels so empty, without me	
I said this looks like a job for me	
So everybody, just follow me	
Cause we need a little, controversy	
Cause it feels so empty, without me	
Little Hellions	
Kids feelin rebellious	
Embarrassed their parents still listen to Elvis	
They start feeling like prisoners helpless	
'Til someone (2) along on a mission and (3)	BITCH!!!
A visionary, vision of scary	
Could start a revolution, pollutin the airwaves	
A rebel	
So just let me revel and bask in the fact	

And it's a disaster, such a catastrophe
For you to see so damn much of my ass
You (4) for me?
Well I'm back, na-na-na-na-na
Fix your bent antenna tune it in and then I'm gonna
Enter in, endin up under your skin like a splinter
The center of attention, back for the winter
I'm interesting, the best thing since wrestling
Infesting in your kid's ears and nesting
Testing, attention please
Feel the tension, soon as someone mentions me
Here's my ten cents, my two cents is free
A nuisance, who sent? You sent for me?
Now this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
A tisk it a task it, I'll go tit for tat with
Anybody who's talkin this shit, that shit
Chris Kirkpatrick, you can get your ass kicked
Worse than them little Limp Bizkit bastards
And Moby? You can get stomped by Obie
You thirty-six year old boy stay un'mo'
You don't know me, you're too old, let go
It's over, nobody listen to technno

Now let's go

Fill in the gaps

Fill in the gaps

Just give me the signal,

I'll be there with a whole list
Full of new insults
I been dope, suspenseful with a pencil
Ever (5) Prince turned himself into a symbol
But sometimes man it just seems
Everybody only wants to discuss me
So this must mean I'm dis-gus-ting
But it's just me, I'm just obscene
No I'm not the first king of controversy
I am the worst (6) (7) Elvis Presley
To do black music so selfishly
And used it to get (8) wealthy
(Hey!) There's a concept that works
Twenty million other white rappers emerge
But no matter how many fish in the sea
It'd be so empty, without me
Now this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks (9) a job for me
So everybody, just follow me
Cause we (10) a little, controversy
Cause it feels so empty, without me
