The future's (1) wide beyond believing	Theres the sun
To know why hope dies	Taking all the shattered ones
Losing what was found, a world so hollow	To the place we belong
Suspended in a compromise	And his love will conquer
The silence of this sound is soon to follow	And I've lost who I am
Somehow sundown	And I can't understand

Is the (5) of time killing all the (6) I	Let me go

Knowing that faith is all I hold	I (8) not be silenced
And Ive lost who I am	All this time spent in vain

Why my heart is so broken	Wasted gain
Rejecting your love	All is lost
Without love gone wrong	Hope remains
