

All is lost Hope remains

## Fill in the gaps

Yesterday I died, tomorrow's bleeding	And this war's not over
Fall (1) your sunlight	Theres a light
The future's (2) wide beyond believing	Theres the sun
To (3) why hope dies	Taking all the shattered ones
Losing (4) was found, a world so hollow	To the (19) we belong
Suspended in a compromise	And his love (20) conquer
The silence of this sound is soon to follow	And I've lost who I am
Somehow sundown	And I can't understand
And (5) answers	Why my heart is so broken
ls (6) all of the	Rejecting your love
(7) we call home	Without (21) gone wrong
Passing the (8) of the unknown	Life (22) words
As reason clouds my eyes, with splendor fading	Carry on
Illusions of the sunlight	But I know
And the reflection of a lie will keep me waiting	All I know
Love (9) for so long	Is (23) the ends beginning
This day's ending	Who I am (24) the start
Is the proof of (10) (11) all the	Take me (25) to my heart
faith I know	Let me go
Knowing that faith is all I hold	And I will run
And Ive (12) who I am	I will not be silenced
And I can't understand	All this time spent in vain
Why my heart is so broken	Wasted years
Rejecting (13) love	Wasted gain
Without love gone wrong	All is lost
Life (14) words	Hope remains
Carry on	And this war's not over
But I know	Theres a light
All I know	Theres the sun
Is that the (15) beginning	Taking all the shattered ones
Who I am (16) the start	To the place we belong
Take me home to my heart	And his (26) will conquer all
Let me go	Yes his love (27) conquer all
And I will run	Yesterday I died, (28) bleeding
I (17) not be silenced	Fall into your sunlight
All this time (18) in vain	
Wasted years	
Wasted gain
