

It can happen to...

Fill in the gaps

I've been letting you down, down	Anyone of us, say you will forgive me
Girl I know I've been (1) a fool	Anyone can fail
Giving in to temptation	Say you (8) believe me
When I should've (2) it cool	I can't take my heart will break
The situation got out of hand	'Cause I made a stupid mistake
I hope you understand	A stupid mistake
It can happen to	A stupid mistake
Anyone of us, anyone you think of	She means nothing to me
Anyone can fall	Nothing to me
Anyone can hurt (3) they love	I swear every (9) is true
Hearts (4) break	Don't wanna lose you
Cause I made a stupid mistake	The situation got out of hand
It can happen to	I hope you understand
Anyone of us, say you will (5) me	It can happen to
Anyone can fail	Anyone of us, anyone you think of
Say you will believe me	Anyone can fall
I can't take my heart will break	Anyone can hurt someone they love
'Cause I made a stupid mistake	Hearts will break
A stupid mistake	'Cause I made a stupid mistake
She was kind of exciting	It can happen to
A little crazy I should've known	Anyone of us, say you will forgive me
She must have altered my senses	Anyone can fail
Cause I offered to walk her home	Say you will believe me
The situation got out of hand	I can't take my heart will break
I hope you understand	'Cause I made a stupid mistake
It can (6) to	Anyone can fall
Anyone of us, (7) you think of	Anyone can hurt someone they love
Anyone can fall	Hearts will break
Anyone can hurt someone they love	'Cause I (10) a stupid mistake
Hearts will break	A stupid mistake
Cause I made a stupid mistake
