

Fill in the gaps

I've been letting you down, down	Anyone of us, say you will forgive me
Girl I know I've been such a fool	Anyone can fail
Giving in to temptation	Say you will believe me
When I should've played it cool	I can't take my heart (8) break
The (1) got out of hand	'Cause I made a stupid mistake
I (2) you understand	A (9) mistake
It can happen to	A stupid mistake
Anyone of us, anyone you think of	She means nothing to me
Anyone can fall	Nothing to me
Anyone can hurt someone they love	I swear every word is true
Hearts will break	Don't wanna lose you
'Cause I made a (3) mistake	The situation got out of hand
It can happen to	I hope you understand
Anyone of us, say you will forgive me	It can happen to
Anyone can fail	Anyone of us, anyone you think of
Say you will believe me	Anyone can fall
I can't take my (4) (5) break	Anyone can hurt someone they love
'Cause I made a stupid mistake	Hearts will break
A stupid mistake	'Cause I made a (10) mistake
She was kind of exciting	It can happen to
A little crazy I should've known	Anyone of us, say you will forgive me
She (6) have altered my senses	Anyone can fail
'Cause I offered to walk her home	Say you will believe me
The situation got out of hand	I can't take my heart will break
I hope you understand	'Cause I made a stupid mistake
It can happen to	Anyone can fall
Anyone of us, anyone you think of	Anyone can hurt someone they love
Anyone can fall	Hearts will break
Anyone can hurt someone they love	'Cause I made a stupid mistake
Hearts will break	A stupid mistake
