## Get Outta My Way by Kylie Minogue

| What's the worst thing that could happen to you           | See me with him and its turning you on it's got me saying |
|---|---|
| Take a chance tonight and try something new               | Ain't (5) me back at the end of this song                 |
| You're (1) boring you're oh so boring                     | Get outta my way  |
| And I don't (2) the zombie you've                         | Get (6) my way  |
| turned into   | Got no more to say  |
| Don't worry cause tonight I got you                       | He's taken your place                                     |
| You can take a seat do what you normally do               | Get outta my way, way                                     |
| I'm about to let you see                                  | Outta my way  |
| This is what'll happen                                    | Got no more to say  |
| If you ain't giving your girl what she needs              | He's taken your place                                     |
| Leave you (3) on  | Get outta my way  |
| To a perfect stranger                                     | No I aint going home cause I wanna stay                   |
| You talk I walk   | But I wont be alone no how no way                         |
| Wanna feel the danger                                     | Now I showed you (7) I'm (8) of (made                     |
| See me with him and its turning you on it's got me saying | of)   |
| Ain't getting me back at the end of this song             | This is what'll happen                                    |
| Get outta my way  | If you ain't giving your girl what she needs              |
| Get outta my way  | Leave you Move on   |
| Got no more to say  | To a perfect stranger                                     |
| He's taken your place                                     | You talk I walk   |
| Get outta my way, way                                     | Wanna feel the danger                                     |
| Outta my way  | See me with him and its turning you on it's got me saying |
| Got no more to say  | Ain't getting me back at the end of this song             |
| He's taken your place                                     | Get outta my way  |
| Get outta my way  | Get outta my way  |
| Now I got a taste I wanna explore                         | Got no more to say  |
| Ain't going to waste no not anymore                       | He's taken your place                                     |
| You're going hard now to win my heart but                 | Get (9) my way, way                                       |
| Too many times now you've been coming up short            | Outta my way  |
| Don't worry cause tonight I got you                       | Got no more to say  |
| You can take a seat do what you normally do               | He's taken your place                                     |
| I'm (4) to let you see                                    | Get outta my way  |
| This is what'll happen                                    | No I aint going home                                      |
| If you ain't giving your girl what she needs              | But I wont be alone                                       |
| Leave you move on   | Now I showed you what I'm made of (made of)               |
| To a perfect stranger                                     | Now I showed you what I'm made of (made of)               |
