

Fill in the gaps

Hey, don't write yourself off yet	It just takes some time
It's only in your head you feel left out	Little girl you're in the middle of the ride
Or (1) down on	Everything (everything) will be just fine
Just try your best	Everything (everything) (6) be alright (alright)
Try everything you can	Hey, don't write yourself off yet
And don't you worry what they tell themselves	It's only in your (7) you feel left out
When you're away	Or (8) down on
It just takes (2) time	Just do your best
Little girl you're in the middle of the ride	Do everything you can
Everything (everything) will be just fine	And don't you worry what the bitter hearts
Everything (everything) will be (3) (alright)	Are gonna say
Hey, you know they're all the same	It just takes (9) time
You know you're doing better on your own	Little girl you're in the middle of the ride
So don't buy in	Everything (everything) will be just fine
Live right now	Everything (everything) will be alright (alright)
Yeah, just be yourself	It just takes some time
It doesn't matter if it's good enough	Little girl you're in the middle of the ride
For someone else	Everything (everything) will be just fine
It just takes (4) time	Everything (everything) (10) be alright
Little girl you're in the middle of the ride	
Everything (everything) will be just fine	
Everything (everything) (5) he alright (alright)
