Hold on little girl
Show me what he's done to you
Stand up little girl
A broken heart can't be that bad
When it's through, it's through
Fate will (1) the both of you
So come on baby come on over
Let me be the one to show you
I'm the one who wants to be with you
Deep inside I hope you feel it too
Waited on a line of greens and blues
Just to be the (2) to be (3) you
Just to be the (2) to be (3) you Build up your confidence
Build up your confidence
Build up your confidence So you can be on top for once
Build up your confidence So you can be on top for once Wake up who cares about
Build up your confidence So you can be on top for once Wake up who cares about Little boys that talk too much
Build up your confidence So you can be on top for once Wake up who cares about Little boys that talk too much I've seen it all go down
Build up your confidence So you can be on top for once Wake up who cares about Little boys that talk too much I've seen it all go down Your game of love was all rained out
Build up your confidence So you can be on top for once Wake up who cares about Little boys that talk too much I've seen it all go down Your game of love was all rained out So come on baby, come on over

Waited on a line of greens and blues
Just to be the next to be (4) you

Deep inside I hope you (7) it too
Waited on a line of greens and blues
Just to be the next to be with you
I'm the one who wants to be (8) you
Deep inside I hope you feel it too
Waited on a line of greens and blues
Just to be the next to be (9) you
