

It is the end of all hope

Fill in the gaps

To lose the child, the faith
To end all the innocence
To be (1) like me
This is the birth of all hope
To (2) what I once had
This life unforgiven
It will end with a birth
No will to wake for this morn
To see another black rose born
Deathbed is slowly covered with snow
Angels, they fell first but I'm still here
Alone as they are drawing near
In heaven my masterpiece will finally be sung
It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
Wounded is the deer that leaps highest
And my wound it (3) so deep
Turn off the light and let me pull the plug
It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
This is the birth of all hope
To have what I once had
This life unforgiven

It will end with a birth
Mandylion without a face
Deathwish (4) a praye
End of hope
End of love
End of time
The rest is silence
Mandylion (5) a face
Deathwish without a prayer
End of hope
End of love
End of time
The rest is silence
It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone (6) me
This is the (7) of all hope
To have (8) I once had
It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
It is the end of all hope
To lose the child, the faith
End of all hope
