

Fill in the gaps

It is the end of all hope	It will end with a birth
To (1) the child, the faith	Mandylion without a face
To end all the innocence	Deathwish without a prayer
To be someone like me	End of hope
This is the (2) of all hope	End of love
To (3) what I (4) had	End of time
This life unforgiven	The rest is silence
It will end (5) a birth	Mandylion (18) a face
No (6) to wake for this morn	Deathwish (19) a prayer
To see another black rose born	End of hope
Deathbed is slowly covered with snow	End of love
Angels, (7) (8) first but I'm still here	End of time
Alone as (9) are (10) near	The (20) is silence
In heaven my (11) (12)	It is the end of all hope
finally be sung	To (21) the child, the faith
It is the end of all hope	To end all the innocence
To (13) the child, the faith	To be someone like me
To end all the innocence	This is the birth of all hope
To be someone like me	To (22) what I once had
Wounded is the deer that leaps highest	It is the end of all hope
And my wound it (14) so deep	To (23) the child, the faith
Turn off the light and let me (15) the plug	To end all the innocence
It is the end of all hope	To be (24) like me
To lose the child, the faith	It is the end of all hope
To end all the innocence	To lose the child, the faith
To be (16) me	End of all hope
This is the birth of all hope	
To have what I once had	
This life unforgiven
