# Dead To The World (Live) by Nightwish All the same, take me away

All the same, take me away	All the same, take me away
Ve're dead to the world	We're dead to the world
The child gave thought to the poet's world	Dead, silent, constant
Save comfort to the Fallen	Yet always changing
Heartfelt, lovelorn)	- My favorite (3) of this world
Remaining, yet still uninvited	As he died, he will return to die in me again
Those words scented my soul	Weaving the cloth, (4) birth
Lonely soul, ocean soul)	To the Century Child
t's not the monsters under (1) bed	Who gave his (5) not for the world but for me
t is the Man next door	Innocence reborn once more
That (2) you fear, makes you cry	Heaven queen, (6) me
Makes you cry for the child	Away from all pain
All the wars are fought among those lonely men	All the same, (7) me away
Jnarmed, unscarred	We're dead to the world
don't want to die a scarless man	Heaven queen, cover me
A lonely soul	In all (8) blue
Tell me now what to do)	Little boy, such precious joy
studied silence to learn the music	Is dead to the world
joined the sinful to regain innocence	Heaven queen, carry me
Heaven queen, cover me	Away from all pain
n all that blue	All the same, take me away
ittle boy, such precious joy	We're dead to the world
s dead to the world	We're dead to the world!
Heaven gueen, carry me
