Fill in the gaps

Dead To The World (Live) by Nightwish

All the same, take me away	All the same, take me away
We're dead to the world	We're dead to the world
The child gave (1) to the poet's world	Dead, silent, constant
Gave comfort to the Fallen	Yet always changing
(Heartfelt, lovelorn)	- My favorite (16) of this world
Remaining, yet (2) uninvited	As he died, he will return to die in me again
Those words scented my soul	Weaving the cloth, (17) birth
(Lonely soul, (3) soul)	To the Century Child
t's not the (4) (5) your bed	Who gave his (18) not for the world but for me
t is the Man next door	Innocence (19) once more
That (6) you fear, makes you cry	Heaven queen, carry me
Makes you cry for the child	Away from all pain
All the wars are (7) among those lonely men	All the same, take me away
Jnarmed, unscarred	We're dead to the world
don't want to die a (8) man	Heaven queen, cover me
A (9) soul	In all that blue
(Tell me now what to do)	Little boy, (20) precious joy
studied silence to learn the music	Is dead to the world
(10) the (11) to	Heaven queen, carry me
(12) innocence	Away from all pain
Heaven queen, (13) me	All the same, take me away
n all that blue	We're dead to the world
_ittle boy, (14) joy	We're dead to the world!
s dead to the world	
Heaven queen, carry me	
Away from all pain
