Wish I Had An Angel by Nightwish

I'm in love with my lust

Fill in the gaps

I wish I had an angel	Burning angel wings to dust
For one moment of love	I wish I had your angel tonight
I wish I had your angel tonight	Greatest thrill
Deep into a (1) day	Not to kill
I took a step outside	But to have the prize of the night
An innocent heart	Hypocrite
Prepare to (2) me fall when I may	Wannabe friend
This night will hurt you like (3) before	13th (6) who betraye
Old loves they die hard	Me for nothing!
Old lies they die harder	Last dance, first kiss
I wish I had an angel	Your touch, my bliss
For one (4) of love	Beauty always comes
I wish I had your angel	With (7) thoughts
Your Virgin Mary undone	I (8) I had an angel
I'm in love with my lust	For one moment of love
Burning angel wings to dust	I wish I had your angel
I wish I had your angel tonight	Your Virgin Mary undone
I'm going down so frail and cruel	I'm in love with my lust
Drunken disguise changes all the rules	Burning angel (9) to dust
Old loves they die hard	I wish I had your angel tonight
Old lies they die harder	I wish I had an angel
I wish I had an angel	I (10) I had an angel
For one moment of love	I wish I had an angel
I wish I had your angel	I wish I had an angel
Your (5) Mary undone
