Like Toy Soldier by Eminem

(Step by step, heart to heart, left right left)
(We all fall down)
Step by step, heart to heart, left right left
We all fall down like toy soldiers
Bit by bit, torn apart, we never win
But the battle wages on for toy soldiers
I'm supposed to be the soldier
Who (1) blows his composure
Even though I hold the weight of
The whole (2) on my shoulders
I am (3) supposed to show it
My crew ain't supposed to know it
Even if it means goin' toe to toe
With a (4) it don't matter
I'd never (5) them in battles that
I can handle unless I absolutely have to
I'm supposed to set an example
I need to be the leader
My crew looks for me to guide 'em
If some (6) just pop off
I'm supposed to be beside 'em
Now Ja (8) "I tried to squash it,
It was too late to stop it"
There's a certain line
You just don't cross and he crossed it
I heard him say Hailie's name
On a song and I just lost it
It was crazy
This (shit) be way beyond some Jay-z and Nas (shit)

And even though the battle was won	
I feel like we lost it	
I spent too much energy on it	
Honestly I'm exhausted	
And I'm so caught in it I almost feel	
I'm the one who caused it	
This ain't (9) I'm in hip-hop for	
It's not why I got in it	
That was never my object for someone to get killed	
Why would I wanna destroy something I help build	
It wasn't my intentions	
My intentions was good	
I went through my (10) career	
Without ever mentionin'	
Now it's just out of respect	
For not runnin' my mouth	
And talkin' about something	
That I knew nothing about	
Plus Dre told me (11) out	
This (12) wasn't my beef	
So I did, I just fell back	
Watched and gritted my teeth	
While he's all over TV down talkin' a man	
Who literally saved my life	
Like (fuck) it I understand this is business	
And this (shit) just isn't none of my business	
But still knowin' this (shit) could pop off at any minute	cuz
Step by step, heart to heart, left right left	
We all fall down like toy soldiers	

Bit by bit, torn apart, we never win

Fill in the gaps

But the battle (13) on for toy soldiers... There used to be a time When you could just say a rhyme And wouldn't (14)_____ to worry about One of your people dyin' But now it's elevated Cuz once you put someone's kids in it The (shit) gets escalated It ain't just words no more is it? It's a different ball game Callin' names and you ain't just rappin' We actually tried to (15)_____ the 50 And Ja beef from happenin' Me and Dre had sat with him Kicked it and had a chat With him and asked him not to start It he wasn't gonna go after him Until Ja started yappin' in magazines how we (16)_____ him (Fuck) it 50 smash 'em Mash 'em and let him (17)_____ it Meanwhile my attention is pullin' in other directions Who answers phones at his desk Has an erection for me And thinks that I'll be his ressurection Tries to blow the (19)_____ off his mic and make a new record But now he's (fucked) the (20)____ up Cuz one of the ways I came up Was through that publication the (21)_____ one

That made me famous

Now the owner of it has got a grudge against me for nothin'
Well (fuck) it, that (motherfucker) can get it too
(Fuck) him then
But I'm so busy being pissed off
I don't stop to think
That we just inherited 50's beef (22) Murder Inc.
And he's inherited mine
Which is fine ain't like either of us mind
We still have soldiers that's on the front line
That's willing to die for us as soon as we (23) the orders
Never to extort us, strictly to show they support us
We'll (24) shout 'em out in a rap or up in a chorus
To show them we love 'em back
And let 'em know how important it is
To have Runyan Avenue, soldiers up in our corners
Their loyalty to us is worth more than any award is
But I ain't tryna have none of my (25) hurt and murdered
It ain't worth it
I can't think of a (26) way to word it
Then to just say that I love ya'll too much
To see the verdict
I'll (27) away from it all before I let it go any further
But don't get it twisted, it's not a plea that I'm coppin'
I'm just willin' to be the bigger man
If ya'll can quit poppin' off at your jaws with the knockin'
Cuz frankly I'm (28) of talkin'
I'm not gonna let someone else's coffin
Rest on my conscience cuz
Rest on my conscience cuz Step by step, heart to heart, left right left
