

## Fill in the gaps

## Dance Of Death (Live) by Iron Maiden

My free spirit was laughing and howling down at me

		Below my undead body	
Let me tell you a story to chill the bones		Just danced the circle of dead	
About a thing that I saw		Until the time came to reunite us both	
One night wandering in the everglades		My spirit (4) back down to me	
'd one drink but no more		I didn't know if I was alive or dead	
was rambling, enjoying the bright moonlight		As the others all joined in with me	
Gazing up at the stars		By luck then a skirmish started	
Not aware of a presence so near to me		And took the (5)	away from me
Natching my every move		When they took their gaze from me	
Feeling (1)	and I fell to my knees	Was the moment that I fled	
As something rushed me from the trees		I ran like hell faster than the wind	
Took me to an unholy place		But behind I did not glance	
And that is where I fell from grace		One thing that I did not dare	
Then they summoned me over to join in with them		Was to look just straight ahead	
To the dance of the dead		When you know that your time has (6) around	
nto the circle of fire I followed them		You know you'll be prepared for it	
nto the middle I was led		Say your last goodbyes to everyone	
As if time had stopped still I was numb with fear		Drink and say a prayer for it	
But still I wanted to go		When you're lying in your sleep	
And the blaze of the fire did no hurt upon me		When you're lying in your bed	
As I walked onto the coals		And you wake from your dreams to go dancing (7)	
And I felt I was in a trance		the dead	
And my spirit was lifted from me		When you're lying in your sleep	
And if only (2)	had the chance	When you're lying in your bed	
To witness what happened to me		And you wake from (8) dreams to go dancing with	
And I danced and I pranced and I sang with them		the dead	
All had death in their eyes		To this day I guess I'll never know	
_ifeless figures (3)	were undead all of them	Just why they let me go	
They had ascended from hell		But I'll never go dancing no more	
As I danced with the dead		'Til I dance with the dead
