Dance Of Death (Live) by Iron Maiden

•••	Delow my undead body
Let me (1) you a story to (2) the	Just danced the circle of dead
bones	Until the time came to reunite us both
About a thing that I saw	My (18) came back down to me
One night wandering in the everglades	I didn't know if I was alive or dead
I'd one drink but no more	As the others all joined in with me
I was rambling, (3) the bright moonlight	By luck then a skirmish started
Gazing up at the stars	And took the attention away from me
Not aware of a presence so near to me	When they took their gaze from me
Watching my every move	Was the moment that I fled
Feeling scared and I fell to my knees	I ran like hell faster (19) the wind
As (4) rushed me from the trees	But behind I did not glance
Took me to an unholy place	One thing that I did not dare
And (5) is where I (6) from grace	Was to look (20) straight ahead
Then they summoned me over to (7) in	When you (21) that your time has come around
(8) them	You know you'll be prepared for it
To the (9) of the dead	Say (22) last goodbyes to everyone
Into the circle of fire I followed them	Drink and say a (23) for it
Into the middle I was led	When you're lying in your sleep
As if time had stopped still I was (10) with fear	When you're lying in your bed
But still I wanted to go	And you wake from your dreams to go dancing with the dead
And the blaze of the fire did no hurt (11) me	When you're lying in (24) sleep
As I walked onto the coals	When you're lying in your bed
And I felt I was in a trance	And you wake from your (25) to go
And my spirit was lifted from me	(26) with the dead
And if only someone had the chance	To this day I guess I'll never know
To (12) what happened to me	Just why they let me go
And I danced and I pranced and I sang (13) them	But I'll (27) go dancing no more
All had death in (14) eyes	'Til I dance with the dead
Lifeless figures they were (15) all of them	
They had ascended (16) hell	
As I danced with the dead	
My free spirit was laughing and howling (17) at me
