Fill in the gaps

Undercover Martyn by Two Door Cinema Club

And she spoke words that would (1) in your hands	
And she spoke words of wisdom	
To the basement people, to the basement	
Many surprises await you	
In the basement people, in the basement	
You hid there last time, you know we're gonna find you	
Sick in the karsi, 'cause you're not up to going	
Out on the main streets, completing your mission	
You hid (2) last time, you know we're gonna find you	ı
Sick in the karsi, 'cause you're not up to going	
Out on the main streets, completing (3) mission	
And she spoke words that would melt in your hands	
And she spoke words of wisdom	
To the basement people, to the basement	
Many (4) await you
