Fill in the gaps

One Love by David Guetta & Estelle

Can anybody help me?	Now I could try and fix this all by myself
I'm (1) plans	But I know it'd turn out better if you help
Guess I (2) my world in somebody's hands	No one likes to hurt but
I don't (3) to hurt but	But everyone gets weak
But (4) (5) weak	Someone to rely on
Someone to rely on	That's (20) everybody needs
That's (6) I really need	Now here we stay
Now here we stay	It's all that we're worth
It's all that we're worth	I've been (21) the pain and
I've been (7) the pain and	Been dragged (22) the dirt
Been dragged (8) the dirt	Whatever (23) tell you were bigger (24)
Whatever (9) tell you were bigger than words	words
I've (10) where you're standing	I've been where you're standing
I know how it hurts	I (25) how it hurts
Let this be a (11) now	Let this be a song now and this be our day
And (12) be our day	And we stand together we'll be okay
And we stand together	'Cause we're survivors
We'll be okay	We're making it work
'Cause we're survivors	Expecting the best (26) they hope for the worst
We're making it work	One love
Expecting the best (13) they hope for the worst	This is the way we (27) (one love)
(One love)	Even though they'll let you down (one love)
This is the way we found (one love)	Nobody's perfect now (one love)
Even (14) they'll let you down (one love)	Don't let that hold you down (one love)
Nobody's perfect now (one love)	Let's stick (28) now (one love)
Don't let (15) hold you (16) (one love)	We got to stand our ground (one love)
Let's stick (17) now (one love)	It's easy to (29) in, one love
We got to stand our ground (one love)	Believe in you and me
It's (18) to (19) in, one love	One love
Believe in you and me, one love
