

Fill in the gaps

No Such Thing (Live) by John Mayer

"Welcome to the real world"	Butsomething's better on the other side
She said to me, condescendingly	I want to run through the (12) of my
"Take a seat, (1) your life	(13) school
Plot it out in black and white"	I (14) to (15) at the top of my lungs
(Well) I never lived the dreams of the prom kings	I just found out there's no (16) (17)
And the drama queens	as the real world
I'd like to think the (2) of me	Just a lie you've got to rise above
Is still hiding up my sleeve	
They love to tell you "Stay inside the lines"	I am invincible
But something's better on the other side	I am invincible
I want to run through the halls of my high school	We are invincible
I want to scream at the top of my lungs	As (18) as we are alive
I just (3) out there's no such (4) as	I (19) to run through the halls of my (20)
the real world	school
Just a lie you've got to rise above	I want to (21) at the top of my lungs
So the (5) take	I just found out there's no such thing as the (22)
the so-called right track	world
Faded white hats grabbing credits, maybe transfers	Just a lie you've got to rise above
They (8) all the (9) but they can't find	I (23) can't wait for my ten (24) reunion
the answers	I'm gonna (25) down the double doors
All of our parents, they're getting older	And (26) I stand on these tables before you
I (10) if they've wished for anything better	You will know (27) all (28) time was for
While in their memories, tiny tragedies	
They love to (11) you "Stay inside the lines"
