Fill in the gaps

No Such Thing (Live) by John Mayer

"Welcome to the real world"
She said to me, condescendingly
"Take a seat, take (1) life
Plot it out in black and white"
(Well) I never lived the dreams of the prom kings
And the drama queens
I'd like to think the best of me
Is still (2) up my sleeve
They love to tell you "Stay inside the lines"
But something's better on the other side
I (3) to run through the (4) of my high
school
I want to (5) at the top of my lungs
I just found out there's no such thing as the (6)
world
Just a lie you've got to rise above
So the good boys and girls take the so-called right track
Faded white (7) grabbing credits, maybe transfers
They read all the books but they can't find the answers
All of our parents, they're getting older
I wonder if they've wished for (8) better
While in (9) memories, tiny tragedies
They love to tell you "Stay inside the lines"

But ...something's better on the other side... I want to run through the halls of my high school I want to scream at the top of my lungs I just found out there's no such thing as the real world Just a lie you've got to rise above I am invincible I am invincible We are invincible As long as we are alive I want to run through the halls of my high school I want to scream at the top of my lungs I just found out there's no such thing as the real world Just a lie you've got to rise above I just can't wait for my ten year reunion I'm gonna bust down the double doors And when I stand on these tables before you You will know what all this (10)_____ was for
