

Fill in the gaps

Over The Hills And Far Away by Nightwish

They came for him one winter's night	he swears he will (20) one day
Arrested	Far from the mountains and the seas
he was bound	back in her arms he swears he'll be
They said there'd (1) a robbery	Over the hills and far away
his (2) had been found	Over the hills and
They marched him to the station house	Over the hills and
he waited for the dawn	Over the hills and far away
And as (3) led him to the dock	Each (21) within his prison cell
he knew that he'd (4) wronged	he (22) out (23) the bars
"You (5) (6) of robbery"	He reads the letters that she wrote
he heard the bailiff say	One day he'll know the taste of freedom
He knew without an alibi	Over the hills and far away
tomorrow's (7) would mourn his freedom	she prays he will return one day
Over the (8) and far away	As sure as the rivers reach the seas
for ten long (9) he'll count the days	back in his arms he (24) she'll be
Over the (10) and blue seas	Over the hills and far away
a prisoner's life for him there'll be	he swears he will return one day
He knew (11) it (12) (13)	Far from the mountains and the seas
him dear	back in her (25) he swears he'll be
but yet he (14) not say	Over the hills and far away
where he'd had been that fateful night	she prays he will return one day
a secret it (15) stay	As sure as the rivers reach the seas
He had to fight back (16) of rage	back in his arms he (26) she'll be
his heart (17) like a drum	
For with the wife of his (18) friend	
he spent his final night of freedom	
Over the (19) and far away
