Back For Good (Live) by Take That

Fill in the gaps

I guess now it's time	You'll be right and understood
For me to give up	(Want you back, want you back)
I feel it's time	I want you (5) for good
Got a picture of you beside me	And we'll be together
Got (1) lipstick mark still on your coffee cup	This time is forever
(Oh yeah)	We'll be fighting and forever we will be
Got a fist of pure emotion	So (6) in our love
Got a head of shattered dreams	We will never be uncovered again
Gotta leave it, gotta (2) it all behind now	
Whatever I said, whatever I did I didn't mean it	Whatever I said, whatever I did I didn't mean it
I just want you back for good	I just (7) you back for good
(Want you back, (3) you back, want you back for	(Want you back, want you back)
good)	Oh want you back for good
Whenever I'm wrong just tell me the song and I'll sing it	Whenever I'm wrong just tell me the (8) and I'll sing
You'll be right and understood	it
(Want you back, want you back)	You'll be (9) and understood
I want you back for good	(Want you back, want you back)
Unaware but underlined	Oh I want you back for good
I figured out this story	Whenever I'm wrong, I'll tell you
It wasn't good	I want you back
But in the corner of my mind	I want you back
I celebrated glory	I (10) you back for good
But that was not to be	Whenever I'm wrong, I'll tell you
In the twist of separation you excelled in being free	I want you back
Can't you find a little room inside for me	I want you back
Whatever I said, whatever I did I didn't mean it	I want you back for good
I (4) want you back for good	(Oh yeah)
(Want you back, want you back)	I guess now it's time you can back for good
I want you back for good	
Whenever I'm wrong just tell me the song and I'll sing it
