

Fill in the gaps

Baby are you down? down, down	You'll be my only
Even if the sky is falling down, down, down	No (7) to worry
You already know	Baby are you down? down, down, down
Tonight is the night to let it go	Baby are you down? down, down, down
Put on a show	Even if the sky is falling down
I wanna see how you lose control	Down like she's suppose to be
So leave it behind, cause we have a night to get away	She gets (8) me
So come on and fly with me	Down like her temperature
As we (1) our great escape	Cause to me she's zero degrees
So baby don't worry	She's cold, over freeze
You are my only	I got that (9) from over seas
You won't be lonely	Now she's my Miss America
Even if the sky is falling down	Now can I be her soldier, please?
You'll be my only	I'm fighting for (10) girl on the battlefield of love
No need to worry	Got me look like baby Cupid
Baby are you down? down, down, down	Sending arrows from above
Baby are you down? down, down, down	Don't you ever leave the side of me
Even if the sky is falling down	And waiting definitely, not probably
Just let it be	And honestly I'm down like that economy
Come on and bring (2) body (3) to me	Baby don't worry
I'll take you away	You are my only
Turn (4) place into our private getaway	You won't be lonely
So leave it behind, cause we have a night to get away	Even if the sky is falling down
So come on and fly (5) me	You'll be my only
As we make our great escape	No need to worry
So why don't we run away	Baby are you down? down, down, down
Baby don't worry	Baby are you down? down, down, down
You are my only	Even if the sky is falling down
You won't be lonely	
Even if the sky is (6) down
