

Fill in the gaps

Flies me back to you

Sitting here wasted and wounded
At this old piano
Trying hard to capture the moment
This morning I don't know
'Cause a bottle of vodka
Is still lodged in my head
And some blonde gave me nightmares
I think that she's still in my bed
As I (1) about movies
They won't make of me (2) I'm dead
With an ironclad fist I (3) up
And French kiss the morning
While some marching (4) keeps
Its own beat in my head
While we're talking
About all of the things that I long to believe
About love and the truth
And what you mean to me
And the truth is
Baby you're all that I need
I want to lay you down in a bed of roses
For tonight I sleep on a bed of nails
I want to be just as close as the Holy Ghost is
And lay you down on a bed of roses
Well I'm so far away
That each step that I (5) is on my way home
A king's ransom in dimes
I'd given each night
Just to see through (6) payphone
Still I run out of time
Or it's hard to get through
Till the bird on the wire

I'll (7)_____ close my eyes... and whisper Baby blind love is true I want to lay you down in a bed of roses For tonight I sleep on a bed of nails I want to be just as close as the Holy Ghost is And lay you down on a bed of roses Where the hotel bar hangover whiskey's gone dry The barkeeper's wig's crooked And she's giving me the eye I might have said yeah But I laughed so hard I think I died... Now as you close your eyes Know I'll be thinking about you While my mistress she calls me To stand in her spotlight again Tonight I won't be alone But you know that don't Mean I'm not lonely I've got (8)_____ It's for you that I'd die to defend I want to lay you down in a bed of roses For tonight I sleep on a bed of nails I want to be just as close as the (9)_____ Ghost is And lay you down... I want to lay you down in a bed of roses For tonight I sleep on a bed of nails I want to be (10)_____ as close as the Holy Ghost is And lay you down in a bed of roses
