6 am day after christmas	It's not me you're dying for
I throw (1) (2) on in the dark	Now she's feeling (14) alone
The (3) of cold	Than she ever has before
Car seat is freezing	She's a (15) and I'm drowning slowly
The world is sleeping I am numb	Off the (16) and I'm (17)
Up the stairs to her apartment	nowhere
She is balled up on the couch	She's a (18) and I'm drowning slowly
Her mom and dad (4) down to Charlotte	As weeks (19) by
They're not home to find us out	It showed (20) she was not fine
And we drive	They (21) me, "son, it's time to tell the truth"
Now that I have (5) someone	She broke down, and I broke down
I'm feeling more alone	Cause I was tired of lying
Than I (6) have before	Driving back to her apartment
She's a brick and I'm drowning slowly	For the moment we're alone
Off the (7) and I'm headed nowhere	She's alone
She's a (8) and I'm drowning slowly	I'm alone
They (9) her (10) at 7:30	Now I (22) it
I pace (11) the (12) lot	She's a brick and I'm (23) slowly
Then I walk down to buy her flowers	Off the coast and I'm headed nowhere
And (13) some gifts that I got	She's a brick and I'm (24) slowly
Can't you see
