

Fill in the gaps

I hope it's not too late

I don't (1) what I'm doing here
How I landed in this space
But it's a good place
And I don't wanna mess it up
Make mistakes or say too much
'Cause it's a good place
You find it
You hold it
You feel its grace
These are words I wanna say
Every hour of every day
These are words that say how good it feels
To be here with you today
I hope it's not too late (I hope it's not too late)
I hope it's not too late
I've (2) silent up to now
I've been going (3) the flow
Wherever that goes
But something's screaming down inside
Makes me want to close my eyes
And hear the echo
You find it

You know it
Don't make it wait
These are words I (4) say
Every hour of every day
These are words that say how good it feels
To be here with you today
I (5) it's not too late
'Cause I don't wanna (6) another summer
I don't (7) wait until I fall
I could be a memory tomorrow
I could be nothing at all
I don't know what I'm doing here
How I landed in this space
But it's a good place
These are (8) I wanna say
Every hour of (9) day
These are words that say how good it feels
To be here with you today
I hope it's not too late
Oh, yeah
