

Fill in the gaps

I don't know what I'm (1) here	You know it
How I (2) in this space	Don't make it wait
But it's a good place	These are words I (15) say
And I don't wanna (3) it up	Every hour of every day
Make mistakes or say too much	These are words (16) say how good it feels
'Cause it's a (4) place	To be here with you today
You (5) it	I hope it's not too late
You hold it	'Cause I don't wanna waste another summer
You (6) its grace	I don't (17) wait until I fall
These are words I wanna say	I could be a (18) tomorrow
Every hour of (7) day	I could be (19) at all
These are words (8) say how good it feels	I don't know (20) I'm doing here
To be here with you today	How I landed in (21) space
I hope it's not too late (I hope it's not too late)	But it's a good place
I hope it's not too late	These are words I wanna say
I've been (9) up to now	Every hour of (22) day
I've been (10) with the flow	These are words that say how good it feels
Wherever (11) goes	To be here (23) you today
But something's (12) down inside	I hope it's not too late
Makes me (13) to close my eyes	Oh, yeah
And hear the echo	I hope it's not too (24)
You (14) it
