Stillness Is The Move by Dirty Projectors

When the child was just a child			I can't imagine anything better	
It did not know what it was			After all that we've (6)	through
Like a child it had no habits			I know we'll make it after the wait	
No opinion about anything			The question is a truth	
Maybe I will get a job			There is nothing we can't do	
Get a job as a waitress			I'll see you along the way baby	
Maybe waiting tables in a diner			Isn't life under the sun just a crazy, crazy, crazy dream?	
In some remote city down the highway			Isn't life (7) a mirage of the world before the world	
After all that we've been through			Before the world?	
I know we'll (1) it after the wait			Why am I here and not over, over, over there?	
The question is a truth			Where did time begin	
There is nothing we can't do			Where does space end	
I'll see you along the way baby			Where do you and I where you and I begin?	
The stillness is the move			After all that we've been through	
On top of every mountain			I (8) we'll make it (9)_	the wait
There was a great longing			The question is a truth	
For (2)	even (3)	_ mountain	There is nothing we can't do	
In each city longing for a bigger city			I'll see you along the way baby	
After all that we've been through			The stillness is the move	
I know that I will (4)	(5)	you
