When the child was just a child	I can't imagine anything better
It did not know what it was	After all that we've been through
Like a child it had no habits	I know we'll (6) it after the wait
No opinion about anything	The question is a truth
Maybe I will get a job	There is nothing we can't do
Get a job as a waitress	I'll see you along the way baby
Maybe waiting tables in a diner	Isn't (7) under the sun (8) a crazy,
In some remote (1) (2) the highway	crazy, (9) dream?
After all that we've been through	Isn't life just a (10) of the world before the
I know we'll make it (3) the wait	world
The (4) is a truth	Before the world?
There is nothing we can't do	Why am I here and not over, over, over there?
I'll see you along the way baby	Where did time begin
The stillness is the move	Where does space end

There was a great longing	After all that we've been through
For another even higher mountain	I know we'll make it after the wait
In each city (5) for a bigger city	The question is a truth
After all that we've been through	There is nothing we can't do
I know that I will always love you	I'll see you along the way baby
From now until forever baby	The stillness is the move
