

Say Just Words by Paradise Lost

You get high	A (12) that's for the talking
With (1) destructive instinct	You're trying it more
You get high	But you won't get satisfaction
With your corrosive instinct	Cause you presume
Where can I go	The winner is you but that's not true
To (2) your foul mind tricks	So say just words to me
You're trying it more	Unreal what your hate's providing
But you will never break me	Say (13) words to me
Cause you presume	Your talk is (14) contradiction
The (3) is you but that's not true	Say just (15) to me
So say just words to me	You won't feel the warmth of friends around you
Unreal (4) your hate's providing	Say just words to me
Say just words to me	Is it true that (16) is worth inside
Your talk is always contradiction	So say just (17) to me
Say just (5) to me	Unreal (18) (19) hate's providing
You won't feel the (6) of friends around you	Say just (20) to me
Say (7) words to me	Your talk is always contradiction
Is it (8) that there is worth inside	Say just (21) to me
So say (9) words to me	You won't feel the (22) of
Your desires	(23) around you
All the worse from (10) craving	Say just words to me
Your desires	Is it true (24) there is worth inside
Only (11) there's fire burning	So say (25) words to me
I'll show you the way
