## A Gunshot To Head Of Trepidation by Trivium

You starve your children on neglet	Abuser
Then feed (1) bellies with fear	Now suffer
Concussion bat to the brain	Open fire
Witness to a battered mother	On the (7) of the man
Your abuse (2) end right here	Open fire
No longer will your (3) fear	With strife we'll strike down the hand (open fire)
A gunshot to head of trepidation	If I can't (8) you see the damage you've
My promise if you ever lay a finger	(9) (open fire)
Just look at the scars you make	I'll make you wish you'd never been alive
Your terror makes your kids break	
A broken home just as you were raised	Open fire
With fist raised up to your children	On the desire of the man
Your abuse (4) end right here	Open fire
No longer will your family fear	With strife we'll strike down the hand
A gunshot to head of trepidation	
My promise if you (5) lay a finger
